

MAGIC REALM WEATHER CARDS

Print these cards out on heavy cover weight paper and trim where indicated. Cards are 6.5" x 2.25".

When playing, select the card for the season currently in effect and place it next to the map for easy reference by all players.

Alternate method for selecting the season: Each player selects the card corresponding to the season he wishes to be in effect and places it in front of him. Players then roll dice to select one of these seasons (high roll wins; re-roll ties).
